I. Grievance (To be completed by Inmate): Describe the reasons and nature for your complaint.

This is my 3rd attempt to address the black mold all over & around the showers, pod & ceiling. It's caused tiles to peel off, paint to peel back, allergies from I/m CRAIG & I/m ALLISON are disturbing at best. My grievances on this issue are disappearing & unaccounted for/although NOT informally resolved).

II. Grievance (To be completed by Inmate): Document reasonable attempts to resolve complaint informally prior to filing this formal grievance.

I have addressed this matter with almost every single runner & supervisor to be told they are "aware of the problem." I have also been given bleach on numerous mornings to "handle" the issue, but bleach does not reverse black mold damage nor does it "fix" where the black mold is peeling back from being painted over.

III. Grievance (To be completed by Inmate): Explain your reasonable proposed resolution

My reasonable proposed resolution is that this matter be genuinely addressed according to authentic health concern protocol, whatever that may be. I also would like this 3rd grievance to be documented & returned to me with an actual reply within the grievance time allotted by flow chart.

Clark I am really concerned with all the traces of black mold in the showers. It also appears to be under the paint, but not only in the showers - also @ the bottom where wall meets floor in a lot of places in the pod. It's even causing tiles to come up in places.

On Saturday May 4<sup>th</sup>, we had a 12 step meeting (NA) in the educational room. After the meeting was over, all of us ladies (including myself) stood against the wall for a routine "pat Down" from Officer Jones. I was one of the last three women standing, then after I got pat down I started to put my sandals back on when I saw officer Jones grab Kristina Hills in a very forceful way so inappropriate that she pushed her into me causing me to fall on the ground. I witnessed Officer Jones being rough to all us ladies, but man-handle specifically Kristina Hills almost as if officer Jones purposely targeted her. It was so out of character the way Officer Jones conducted herself that we just awkwardly laughed while Kristina Hills helped me, while officer blurted out "oh your going to assault another inmate now huh?" clearly making it a point to put the blame on Kristina Hills.

Regards

Lillian Aguilar #51980

Lillian Aguilar

After 12 step NA on 5/4/19, the females from CB were lined up outside education being patted down. I saw Sgt Jones begin nearer to CB entrance & I noticed she was being exceptionally aggressive so I began to brace myself stiffly for the pat down assault. I'm Aguilar to my right. Another inmate to my left. Jones was extremely rough with me. I was embarrassed. Even the accompanying officers looked horrified. She threw me by my clothes into Jilly. I almost fell on top of her. I didn't want Jones to do anything else to me so when she accused me of assaulting another inmate I just apologized profusely to her & helped her up. We tried to just laugh it off, but as quickly as they would let us we hurried back into the pool to be safe.
